

2022 READING PLAN

Join with our church family as we read through the Bible in 2022. Each day takes you sequentially through the Old Testament once, the New Testament once, Proverbs once, and the Psalms twice. As you complete a reading, check it off to track your progress. Get behind? No sweat! Just jump into that day's reading instead of trying to play catch up.

As you open God's Word, say a prayer asking Him to speak to you and to change you. Then, when you are done reading, spend time thinking about what you read. What does it teach you about God? About man? About salvation? About how to live? Is there something you can apply to your life today? Once you have finished, ask God to help you live out what you've just read.
